

FirstEnergy Ohio Utilities  
Request for Proposals for  
2014 Ohio Compliant Renewable Energy Credits and  
Solar Renewable Energy Credits

October 30, 2014

**ADDENDUM No. 1**

Please take notice that the following changes have been made:

- Section 2.1 of the RFP Bid Rules has been modified to allow delivery of proposed RECs and SRECs through the Midwest Renewable Energy Tracking System (“M-RETS”). Conformal changes reflecting the allowance of delivery of RECs and SRECs through the M-RETS have been made throughout the RFP Bid Rules document.
- Section 7.2 of the RFP Bid Rules has been modified to conform with the minimum credit ratings set forth under the Purchase and Sale Agreement.
- The “Form of Qualification Application” has been revised. The updated document reflects the changes made to Section 2.1 of the RFP Bid Rules noted above.
- The Purchase and Sale Agreement has been revised to reflect the allowance of delivery of the proposed RECs and SRECs through M-RETS.

The changes noted above have been incorporated in the Documents posted on the RFP Website. Please refer to the updated documents noted above.
