ARTICLE 5 CREDIT AND SECURITY

5.1 Credit and Security.

If REC Supplier or REC Supplier's Guarantor is not rated by a nationally recognized credit rating organization, Buyer will perform a creditworthiness assessment to determine if the REC Supplier or REC Supplier's Guarantor will be required to post credit security.
- 5.1.2** If the total notional dollar value of this Agreement is in excess of \$500,000 and the REC Supplier is relying on REC Supplier's Guarantor to meet the Minimum Credit Rating requirements, the REC Supplier must provide the Buyer a form of Guaranty in an amount of 5% of the total notional dollar value of the Agreement from the REC Supplier's Guarantor. - 5.1.4** If Buyer relies upon REC Supplier's credit rating to allow REC Supplier to avoid posting security, REC Supplier shall notify Buyer of any and all credit downgrades. If REC Supplier's credit rating subsequently fails to satisfy the Minimum Credit Rating requirements, Buyer shall have the right to require performance assurances or to require posting of credit. REC Supplier shall have the obligation, in such case, to meet Buyer's performance assurances or alternatively post and maintain REC Supplier Security in an amount of 5% of the total notional dollar value of this Agreement.

- 6.1.6** To such Party's knowledge, there are no actions, proceedings, judgments, rulings or orders, issued by or pending before any Governmental Authority, that would materially adversely affect its ability to perform its obligations under this Agreement;

ARTICLE 8 FORCE MAJEURE

8.1 **Force Majeure.** If either Party is rendered unable by an event of Force Majeure to carry out, in whole or in part, its obligations under this Agreement, then, during the pendency of such event of Force Majeure, but for no longer period, the obligations of the affected Party (other than the obligation to make payments hereunder when due) shall, subject to Section 2.2.3 hereof, be suspended to the extent required.

8.1.1 The affected Party shall (i) give the other Party written notice within 48 hours of the commencement of the event of Force Majeure, with details to be supplied within three (3) Business Days after the commencement of the event of Force Majeure further describing the particulars of the occurrence of the Force Majeure, and (ii) take all reasonable steps to remedy the cause of the Force Majeure with all reasonable dispatch.

8.1.2 Whenever either Party is required to commence or complete any action within a specified period, such period shall be extended by an amount equal to the duration of any event of Force Majeure occurring or continuing during such period; provided, however, that, subject to Section 2.2.3 hereof, in no event will any event of Force Majeure extend this Agreement beyond its Term.

ARTICLE 9 CHANGE IN LAW

9.1 **Change in Law.** Buyer's obligations under this Agreement are contingent on, and limited by the Buyer's ability to recover all costs incurred by it under this Agreement from its retail customers in full and on a current basis. In the event any finding and order of the PUCO has the effect of suspending, limiting, or denying Buyer's ability to recover fully such costs from its retail customers on a current basis, Buyer may continue performing under the Agreement and pay the REC Supplier only the costs for, and associated with, the RECs which the Buyer is permitted to recover on a current basis from its retail customers. However, if Buyer reduces its payments under this Agreement to that which it is permitted to recover on a current basis from its retail customers as a result of an action of the PUCO, REC Supplier may terminate this Agreement upon not less than 30 calendar days notice.

ARTICLE 10
EVENTS OF DEFAULT

10.1 Events of Default. An “Event of Default” by a Party (the “Defaulting Party”) shall mean:

- 10.1.1** Unless otherwise excused or permitted under the terms of this Agreement, a Party’s failure to make, when due, any payment required pursuant to this Agreement, regardless of whether a payment or portion thereof may be subject to a billing dispute, shall constitute an Event of Default unless a Party shall have cured the same within 3 Business Days after receipt of written notice of such payment failure from the other Party; provided, however, that in the event of a billing dispute, the failure to pay the undisputed portion of such payment when due shall not constitute an Event of Default so long as the Parties are engaged in good faith efforts to resolve such dispute under Section 3.2.6 hereunder.
- 10.1.2** REC Supplier’s failure to meet the Minimum Credit Rating or to comply with the security requirements set forth in Article 5 within the time frames set forth in this Agreement;
- 10.1.3** Unless otherwise excused or permitted under the terms of this Agreement, any of the following events shall constitute an Event of Default unless a Party shall have cured the same within 30 calendar days after receipt of written notice of the occurrence of such event from the other Party:
- (a) Any representation, warranty or covenant made by such Party herein is proven to be false or misleading in any material respect at the time it was made;
 - (b) A Party transfers or assigns or otherwise conveys any of its rights or obligations under this Agreement to another entity without the other Party’s prior written consent, to the extent such consent is required under this Agreement, or if at the time of such transfer, assignment or conveyance, the resulting, surviving or transferee entity fails to assume all the obligations of such Party under this Agreement by operation of law or pursuant to an agreement reasonably satisfactory to the other Party;
 - (c) A Party’s unexcused failure to perform any other material covenant or obligation set forth in this Agreement that is not enumerated in this Section 10.1.3; or
 - (d) A Party is the subject of a voluntary bankruptcy, insolvency or similar proceeding;

- (e) A Party applies for, seeks consent to, or acquiesces in the appointment of a receiver, custodian, trustee, liquidator or similar official to manage all or a substantial portion of its assets;
- (f) A Party is the subject of an involuntary bankruptcy or similar proceeding, and fails to have such proceeding dismissed within 60 calendar days; or
- (g) A Party commits an act or makes an omission that constitutes an “Event of Default” under any Affiliated REC Agreement between Buyer and the REC Supplier for the provision of RECs.

10.1.4 With respect to REC Supplier, unless otherwise excused or permitted under the terms of this Agreement, any of the following events shall constitute an Event of Default, without notice or the opportunity to cure, if the REC Supplier:

- (a) is dissolved (other than pursuant to a consolidation, amalgamation or merger);
- (b) makes an assignment for the benefit of its creditors that is not in accordance with this Agreement;
- (c) has a secured party take possession of all or substantially all of its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all of its assets; or
- (d) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger).

10.1.5 **Integrated Transaction.** To the extent that Section 365 of the Bankruptcy Code applies to this Agreement, the Parties agree that all transactions under this Agreement constitute one integrated transaction that can only be assumed or rejected in its entirety.

ARTICLE 11 REMEDIES UPON DEFAULT

11.1 **Remedies For Default.** Upon and during the continuation of an Event of Default, the Non-Defaulting Party shall be entitled to elect or pursue one or more of the following remedies:

- 11.1.1** terminate the Agreement by providing written notice to the Defaulting Party of an Early Termination, as provided in Section 2.2 hereof;
- 11.1.2** accelerate all amounts then owing by the Defaulting Party to the Non-Defaulting Party;
- 11.1.3** withhold any payments due to the Defaulting Party under this Agreement;

11.1.4 suspend its performance under this Agreement; and

11.1.5 pursue any other remedies available at law or in equity, except to the extent such remedies are expressly limited by this Agreement.

11.2 **Calculation of Damages.** Notwithstanding the foregoing,

(a) in the event of termination by REC Supplier for Buyer's default, in addition to amounts owed for RECs Delivered prior to such termination, REC Supplier shall be entitled, as liquidated damages (and not as a penalty), and, provided that such amount is paid by Buyer within 30 calendar days of REC Supplier's notice of such termination, as its exclusive remedy for Buyer's default hereunder, to receive cover from Buyer equal to (i) the positive difference, if any, in price (i.e., REC Price less Sales Price) multiplied by the quantity of RECs not Delivered due to the termination of the Agreement for the remaining Term of this Agreement, and (ii) actual, reasonable and verifiable third party fees, including broker fees and legal fees and expenses incurred by REC Supplier in the enforcement and protection of its rights under this Agreement;

(b) in the event of termination by Buyer for REC Supplier's default, Buyer shall be entitled, as liquidated damages (and not as a penalty), and, provided that such amount is paid by REC Supplier within 30 calendar days of Buyer's notice of such termination, as its exclusive remedy for REC Supplier's default hereunder, (i) to receive cover from REC Supplier equal to the sum of the Replacement Price multiplied by the quantity of RECs not Delivered due to the termination of the Agreement for the remaining Term of this Agreement and for which no renewable energy compliance payments were required; (ii) actual, reasonable and verifiable third party fees, including broker fees and legal fees and expenses incurred by Buyer in the enforcement and protection of its rights under this Agreement; and (iii) any renewable energy compliance payments paid by Buyer as a result of REC Supplier's failure to Deliver RECs as required under this Agreement.

11.3 **Exclusive Remedy.** The remedies set forth in this Article 11 are the sole and exclusive remedies in the Event of Default of a Party's obligations to sell or purchase RECs, and a Party's liability shall be limited as set forth in this Article 11. All other remedies or damages for failure to sell or purchase RECs that may be permitted by law are hereby waived.

11.4 **Limitation of Liability.** In the Event of Default, the Defaulting Party's liability shall be limited to direct, actual damages only, and such direct, actual damages shall be the sole and exclusive remedy hereunder. In no event shall any other liability be incurred by either Party for any obligations which arise under this Agreement, including (but not limited to) consequential, incidental, punitive, exemplary, special, or indirect damages in tort, contract, or otherwise

(except to the extent such damages are recovered against a Party hereunder by an unaffiliated third party).

ARTICLE 12 INDEMNIFICATION

12.1 Indemnification Obligation. Each Party, to the extent permitted by law, shall indemnify, defend and hold harmless the other Party, its affiliated companies, and all of their directors, officers, employees, agents and representatives from and against all claims, liabilities, damages, losses or expenses to the extent arising out of any negligence, willful misconduct, breach of contract or violation of law of, or by, the indemnifying Party, its employees, agents, subcontractors, or assigns in the performance of this Agreement. In the event the Parties are jointly at fault, each Party shall indemnify the other in proportion to its relative fault.

12.1.1 Indemnification Obligation for Governmental Entities. If the REC Supplier is a governmental entity who by law is not subject to Section 12.1, Section 12.1 does not apply and is superseded by this Section 12.1.1. With regard to the installation and operation of, and access to, the facility that generated the REC, each Party shall be responsible for any claims, liability, damages and expenses, including attorney's fees, arising from its negligent acts or omissions and the negligent acts or omissions of its employees, officers, or directors, to the extent allowed by law. This provision shall survive the termination of this Agreement.

12.2 Scope of Indemnification. The claims, liabilities, damages, losses or expenses covered for which indemnification may be sought under this Article 12 include, but are not limited to, settlements, judgments, court costs, attorneys' fees and other litigation expenses, fines, and penalties arising out of actual or alleged (a) injury to or death of any person, including employees of Buyer or REC Supplier, or (b) loss of or damage to property, including property of the Buyer or REC Supplier, or (c) breach of contract or (d) damage to the environment.

12.3 Notice. A Party seeking indemnification under this Article 12, shall give written notice to the indemnifying Party as soon as reasonably practicable after becoming aware of the facts and circumstances which may give rise to any claims, liabilities, damages, losses or expenses for which indemnification may be sought under this Article 12.

ARTICLE 13 CONFIDENTIALITY

13.1 Confidentiality. Except as provided in this Article 13, neither Party shall publish, disclose, or otherwise divulge Confidential Information to any person at any time during or after the Term of this Agreement, without the other Party's prior express written consent. Each Party shall permit knowledge of and access to Confidential Information only to those of its affiliates and to persons investing in, providing funding to or acquiring it or its affiliates, and to its and the

foregoing persons' respective attorneys, accountants, representatives, agents and employees who have a need to know such Confidential Information related to this Agreement.

13.2 Required Disclosure. If required by any law, statute, ordinance, decision, order or regulation passed, adopted, issued or promulgated by a Governmental Authority having jurisdiction over a Party, that Party may release Confidential Information, or a portion thereof, to the Governmental Authority, as required by the applicable law, statute, ordinance, decision, order or regulation, and a Party may disclose Confidential Information to accountants in connection with audits.

13.3 Tax Treatment Exception. Notwithstanding any provision of this Agreement to the contrary, the legal obligations of confidentiality hereunder do not extend to the U.S. federal or state tax structure or the U.S. federal or state tax treatment of any transaction hereunder. If any U.S. federal or state tax analyses or materials are provided to a Party, such Party is free to disclose any such analyses or materials without limitation.

13.4 Survival. The Parties obligations under this Article 13 shall survive for a period of one (1) year following the expiration or termination of this Agreement.

ARTICLE 14 GOVERNING LAW; WAIVER OF TRIAL BY JURY

14.1 Governing Law. This Agreement shall be construed, enforced, and performed in accordance with the laws of the State of Ohio, without recourse to principles governing conflicts of law.

14.2 Waiver of Trial by Jury. As a material inducement to each Party to enter into this agreement, the Parties each hereby irrevocably waive all right to trial by jury in any action, proceeding or counterclaim arising out of or relating hereto, any RECs or the transactions contemplated hereby. Each Party further waives any right to consolidate any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived.

ARTICLE 15 MISCELLANEOUS

15.1 Entire Agreement. This Agreement, together with any attachments, appendices or exhibits specifically referenced herein, constitutes the entire agreement between the REC Supplier and the Buyer with respect to the subject matter hereof, supersedes all prior oral or written representations and contracts, and may be modified only by a written amendment signed by the Buyer and the REC Supplier.

15.2 Severability. In the event that any provision of the Agreement shall be found to be void or unenforceable, such findings shall not be construed to render any other provision of the Agreement either void or unenforceable, and all other provisions shall remain in full force and

effect unless the provisions which are void or unenforceable shall substantially affect the rights or obligations granted to or undertaken by either Party.

15.3 Waiver. No delay or omission by a Party in the exercise of any right under this Agreement shall be taken, construed or considered as a waiver or relinquishment thereof, and any such right may be exercised from time to time and as often as may be deemed expedient. If any of the terms and conditions hereof is breached and thereafter waived by a Party, such waiver shall be limited to the particular breach so waived and is not deemed to waive any other breach hereunder.

15.4 Notices. All notices, payments and other formal communications which either Party may give to the other under or in connection with this Agreement shall be in writing and shall be sent by any of the following methods: hand delivery; reputable overnight courier; certified mail, return receipt requested; or, with respect to communications other than payments, by facsimile transmission, if the original communication is delivered by reputable overnight courier. 15.5 Netting and Setoff. If Buyer and REC Supplier are required to pay any amount under this Agreement on the same day or in the same month, then such amounts with respect to each Party may be aggregated and the Parties may discharge their obligations to pay through netting, in which case the Party, if any, owing the greater aggregate amount shall pay to the Party owed the difference between the amounts owed. Each Party reserves to itself all rights, setoffs, counterclaims, combination of accounts, Liens and other remedies and defenses which such Party has or may be entitled to (whether by operation of law or otherwise). The obligations to make payments under this Agreement and/or any other Affiliated REC Agreement between the Buyer and REC Supplier, if any, may be offset against each other, set off or recouped therefrom. Any setoff shall not be subject to the automatic stay by virtue of Section 362(b) (6) of the Bankruptcy Code.

15.6 Disputes. The Buyer and the REC Supplier shall use good faith and reasonable commercial efforts to informally resolve all disputes arising out of the implementation of this Agreement. Any dispute between the Buyer and the REC Supplier under this Agreement may be referred to a designated senior representative of each of the Parties for resolution on an informal basis as promptly as practicable.

15.7 Compliance with Laws. Except as otherwise expressly provided in this Agreement, each Party shall comply, at its own expense, with the provisions of all laws and any applicable order and/or regulations, or any amendments or supplements thereto, which have been, or may at any time be, issued by a Governmental Authority relating to this Agreement and the transactions hereunder.

15.8 Remedies Cumulative. No right or remedy herein conferred upon or reserved to either Party is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy under this Agreement.

15.9 Binding Effect; Limitation of Benefits. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and, subject to the provisions of Article 7 hereof, their successors and permitted assigns. Nothing in this Agreement is intended to confer benefits, rights or remedies unto any Person other than the Parties and their permitted successors and assigns, and no third party shall have the right to enforce the provisions of this Agreement. The Buyer does not, nor should it be construed to, extend its credit or financial support for the benefit of any third parties lending money to or having other transactions with REC Supplier.

15.10 No Partnership or Joint Venture. This Agreement is not intended to create nor shall it be construed to create any partnership or joint venture relationship between Buyer and REC Supplier, and neither Party hereto shall have the power to bind or obligate the other Party. Neither Party hereto shall be liable for the payment or performance of any debts, obligations, or liabilities of the other Party, unless expressly assumed in writing herein or otherwise.

15.11 Auditing and Records. During the Term, Buyer may, at reasonable times and on reasonable notice, audit REC Supplier's records pertaining to the RECs and this Agreement and REC Supplier shall keep and maintain all reasonable records relating to this Agreement, including with respect to those records necessary for performing and verifying any calculations made hereunder, or necessary to verify REC Supplier's performance hereunder, for a period of 3 years following termination of this Agreement.

15.12 Survival. Except as otherwise expressly provided in this Agreement, obligations, limitations, exclusions and duties which by their nature extend beyond the expiration or termination of this Agreement, as well as any other provisions necessary to interpret the respective rights and obligations of the Parties hereunder, shall survive the expiration or earlier termination of this Agreement.

15.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which taken together shall constitute one single agreement between the Parties.

FORM OF GUARANTY

GUARANTY (this “Guaranty”), dated as of _____, made by _____ (the “Guarantor”), a corporation organized and existing under the laws of _____ in favor of FirstEnergy Service Company as agent for The Cleveland Electric Illuminating Company, The Toledo Edison Company and Ohio Edison Company (the “Guaranteed Parties”), corporations organized and existing under the laws of the State of Ohio. Capitalized terms used herein but not defined herein shall have the meaning given such terms in the Agreement (defined below).

Guarantor enters into this Guaranty in consideration of, and as an inducement for, Guaranteed Parties having entered into or entering into that certain Purchase and Sale Agreement for Renewable Energy Credits dated _____ (the “Agreement”) with _____ [Name], a _____ [State] [corporation] (the “Seller”), which may involve the extension of credit by the Guaranteed Parties. Guarantor, subject to the terms and conditions hereof, hereby unconditionally and absolutely guarantees to the Guaranteed Parties the full and prompt payment when due, upon demand in writing from the Guaranteed Parties to the Guarantor’s attention at the address for Guarantor set forth in Article 11 hereof, of any and all amounts payable by the Seller to the Guaranteed Parties arising out of the Agreement, and:

1. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of the principal and interest on any sums due and payable by the Seller as a result of an Event of Default under the Agreement (including indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreement). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall in no event exceed _____. All such principal, interest, obligations and liabilities, collectively, are the “Guaranteed Obligations”. This Guaranty is a guarantee of payment and not of collection.
2. The Guarantor hereby waives diligence, acceleration, notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives presentment and all demands whatsoever except as noted herein, notice of protest, notice of dishonor or nonpayment of any such liability, suit or taking of other action by any Guaranteed Party against, and any other notice to, any party liable thereon (including the Guarantor or any other guarantor), filing of claims with a court in the event of the insolvency or bankruptcy of the Seller, and any right to require a proceeding first against the Seller.
3. The Guaranteed Parties may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (i) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any document or any person (including the Seller) that the Guaranteed Parties determine in their sole discretion to be necessary or appropriate; (ii) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the Seller to the Guaranteed Parties; or (iii) compromise or subordinate any Guaranteed Obligation(s) or liability of the Seller to the Guaranteed Parties including any security therefore.
4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (i) any extension, renewal, settlement, compromise, waiver, consent, discharge or release of the Seller concerning any provision of the Agreement(s) in respect of any Guaranteed Obligations of the Seller; (ii) the rendering of any judgment against the Seller or any action to enforce the same; (iii) the existence, or extent of, any release, exchange, surrender, non-perfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations (to which the Guarantor hereby consents) ; (iv) any modification, amendment, waiver,

extension of or supplement to any of the Agreement(s) or the Guaranteed Obligations agreed to from time to time by the Seller and the Guaranteed Parties; (v) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the Seller or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the Seller or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (vi) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Seller, the Guaranteed Parties or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (vii) the invalidity, irregularity or unenforceability in whole or in part of the Agreement or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the Seller of amounts to be paid by it under the Agreement or any of the Guaranteed Obligations; and (viii) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the Seller, any other guarantor, the Guaranteed Parties or any other corporation or person or any other event, occurrence or circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.

5. The Guarantor hereby irrevocably waives (i) any right of reimbursement or contribution, and (ii) any right of salvage against the Seller or any collateral security or guaranty or right of offset held by the Guaranteed Parties therefor.
6. The Guarantor will not exercise any rights which it may acquire by way of subrogation until all Guaranteed Obligations to the Guaranteed Parties pursuant to the Agreement have been paid in full.
7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. Except for a failure to comply with any applicable statute of limitations, no failure or delay on the part of the Guaranteed Parties in exercising any right, power or privilege hereunder, and no course of dealing between the Guarantor and the Guaranteed Parties, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and remedies herein expressly provided are cumulative and not exclusive of any rights, powers or remedies, which the Guaranteed Parties would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice of demand in similar or other circumstances or constitute a waiver of the rights of the Guaranteed Parties to any other or further action in any circumstances without notice or demand.
8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Guaranteed Parties and their successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Guaranteed Parties. The assignment rights of the Guaranteed Parties will be in accordance with the terms of the Agreement.
9. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except upon written agreement of the Guaranteed Parties and the Guarantor.
10. The Guarantor agrees that its liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise.
11. All notices and other communications hereunder shall be made at the addresses by hand delivery, by the next day delivery service effective upon receipt or by certified mail return receipt requested (effective upon scheduled weekday delivery day) or telefacsimile (effective upon receipt of evidence, including telefacsimile evidence, that telefacsimile was received):

12. If claim is ever made upon the Guaranteed Parties for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and the Guaranteed Parties repay all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property, or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Guarantor), then and in such event the Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon it, notwithstanding any revocation hereof or the cancellation of the Agreement or other instrument evidencing any liability of the Guarantor, and the Guarantor shall be and remain liable to the Guaranteed Parties hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.
13. The Guarantor hereby certifies that it satisfies the Minimum Rating as defined in the Agreement.
14. This Guaranty shall remain in full force and effect until all Guaranteed Obligations have been fully and finally performed, at which point it will expire. The Guarantor may terminate this Guaranty upon thirty (30) days prior written notice to the Guaranteed Parties, which termination shall be effective only upon receipt by the Guaranteed Parties of alternative means of security or credit support, as specified in the Agreement and in a form reasonably acceptable to the Guaranteed Parties. Upon the effectiveness of any such expiration or termination, the Guarantor shall have no further liability under this Guaranty, except with respect to the Guaranteed Obligations entered into prior to the time the expiration or termination is effective, which Guaranteed Obligations shall remain guaranteed pursuant to the terms of this Guaranty until finally and fully performed.

15. The Guarantor represents and warrants that: (i) it is duly organized and validly existing under the laws of the jurisdiction in which it was organized and has the power and authority to execute, deliver, and perform this Guaranty; (ii) no authorization, approval, consent or order of, or registration or filing with, any court or other governmental body having jurisdiction over the Guarantor is required on the part of the Guarantor for the execution, delivery and performance of this Guaranty except for those already made or obtained; (iii) this Guaranty constitutes a valid and legally binding agreement of the Guarantor, and is enforceable against the Guarantor, except as the enforceability of this Guaranty may be limited by the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity; and (iv) the execution, delivery and performance of this Guaranty by the Guarantor have been and remain duly authorized by all necessary corporate or comparable action and do not contravene any provision of its _____ [insert appropriate corporate organizational document, such as Declaration of Trust, Limited Liability Agreement, Articles of Incorporation or by-laws] or any law, regulation or contractual restriction binding on it or its assets.
16. This Guaranty and the rights and obligations of the Seller and the Guarantor hereunder shall be construed in accordance with and governed by the laws of the State of Ohio. The Guarantor and Guaranteed Parties agree to the exclusive jurisdiction of State and federal courts located in the State of Ohio over any disputes arising from or relating to this Guaranty and waive any objections to venue or inconvenient forum. The Guarantor and Guaranteed Parties each hereby irrevocably waive any and all rights to trial by jury with respect to any legal proceeding arising out of or relating to this Guaranty.
17. This writing is the complete and exclusive statement of the terms of this Guaranty and supersedes all prior oral or written representations, understandings, and agreements between the Guaranteed Parties and the Guarantor with respect to subject matter hereof. The Guaranteed Parties and the Guarantor agree that there are no conditions to the full effectiveness of this Guaranty.
18. Every provision of this Guaranty is intended to be severable. If any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. This Guaranty may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument.
19. No trustee or shareholder of Guarantor shall be held to any liability whatsoever for any obligation under this Guaranty, and such Guaranty shall not be enforceable against any such trustee in his or her individual capacity. This Guaranty shall be enforceable against the trustees of Guarantor only as such, and every person, firm, association, trust or corporation having any claim or demand arising under this Guaranty and relating to Guarantor, its shareholders or trustees shall look solely to the trust estate of Guarantor for the payment or satisfaction thereof.

IN WITNESS WHEREOF, the Guarantor has caused this Guaranty to be executed and delivered as of the date first above written to be effective as of the earliest effective date of any of the Agreement.
